WHY FLC?

Future Learning Circles (FLC) is a pioneering force in future learning.

By creating **frameworks for alternative learning** and designing **tools for critical thinking**, we empower life-long learners to navigate the complexities of the world we inhabit.

With a goal of cultivating knowledge societies anchored in experiential learning, we offer myriad learning programs focused on developing **agile, resilient, growth focused, and future-ready mindsets**.

MEET THE FACILITATORS

Isha

Placemaker, insight weaver and fluid thinker, she maps learning journeys where wonder, design, and dialogue craft narratives of change.

Nilosha

Designer, educator and conversation catalyst - she is passionate about resilient education and building pathways towards purposeful reinvention.

Krunal

Architect, educator and conceptualiser - he is enthusiastic about travel and place-making as instigators of experiential learning and cultural shifts.

Om

Mountaineer and visual storyteller, he takes strategy, planning, and experience design to new altitudes. He sees every challenge as a scenic route to discovery.
